### Match Winner and Game Score

Please report the score using the SECF website. There is no need to send in this form.

#### Rules

Each match consists of 7 games, a round of 2 singles and a doubles and a round of 4 singles. There is no restriction on which 2 players play in the doubles game. The singles games will be paired in handicap order for the round of 4 singles.

Each game will be a full 26-point game, with a time limit of 3 1/4 hours.

All games are played handicap, with a maximum handicap of 20 with full bisques to a base of 6; Appendix 3 of the Laws of Association Croquet shall apply.

If a lawn is less than 2/3 size normal handicap differences are reduced by a factor of 2/3.

#### Appendix 3 Full bisque handicap play

When a game is played under the conditions of full bisque handicap play, the laws of handicap play apply subject to the following modifications.

A3.1 THE BASE HANDICAP The base handicap is scratch unless agreed or directed to be greater than scratch.

A3.2 SINGLES PLAY If both players have handicaps that are greater than the base handicap, Law 42.2.1 does not apply and each player receives a number of bisques equal to the difference between the player's handicap and the base handicap.

#### A3.3 DOUBLES PLAY

A3.3.1 NUMBER OF BISQUES If both sides have aggregate handicaps that are greater than twice the base handicap, the first sentence of Laws 47.1 or 50.1 does not apply and each side receives a number of bisques equal to half the difference between its aggregate handicap and twice the base handicap, rounded as specified in Laws 47.1 or 50.1.

A3.3.2 RESTRICTION ON PLAY In ordinary doubles play, a player whose handicap is lower than the base handicap may play a half-bisque but may not play a bisque and the second sentence of Law 47.2 is modified accordingly. This restriction does not apply to alternate stroke doubles play.
